Believe in the mystery . . .

OUR GENERATION

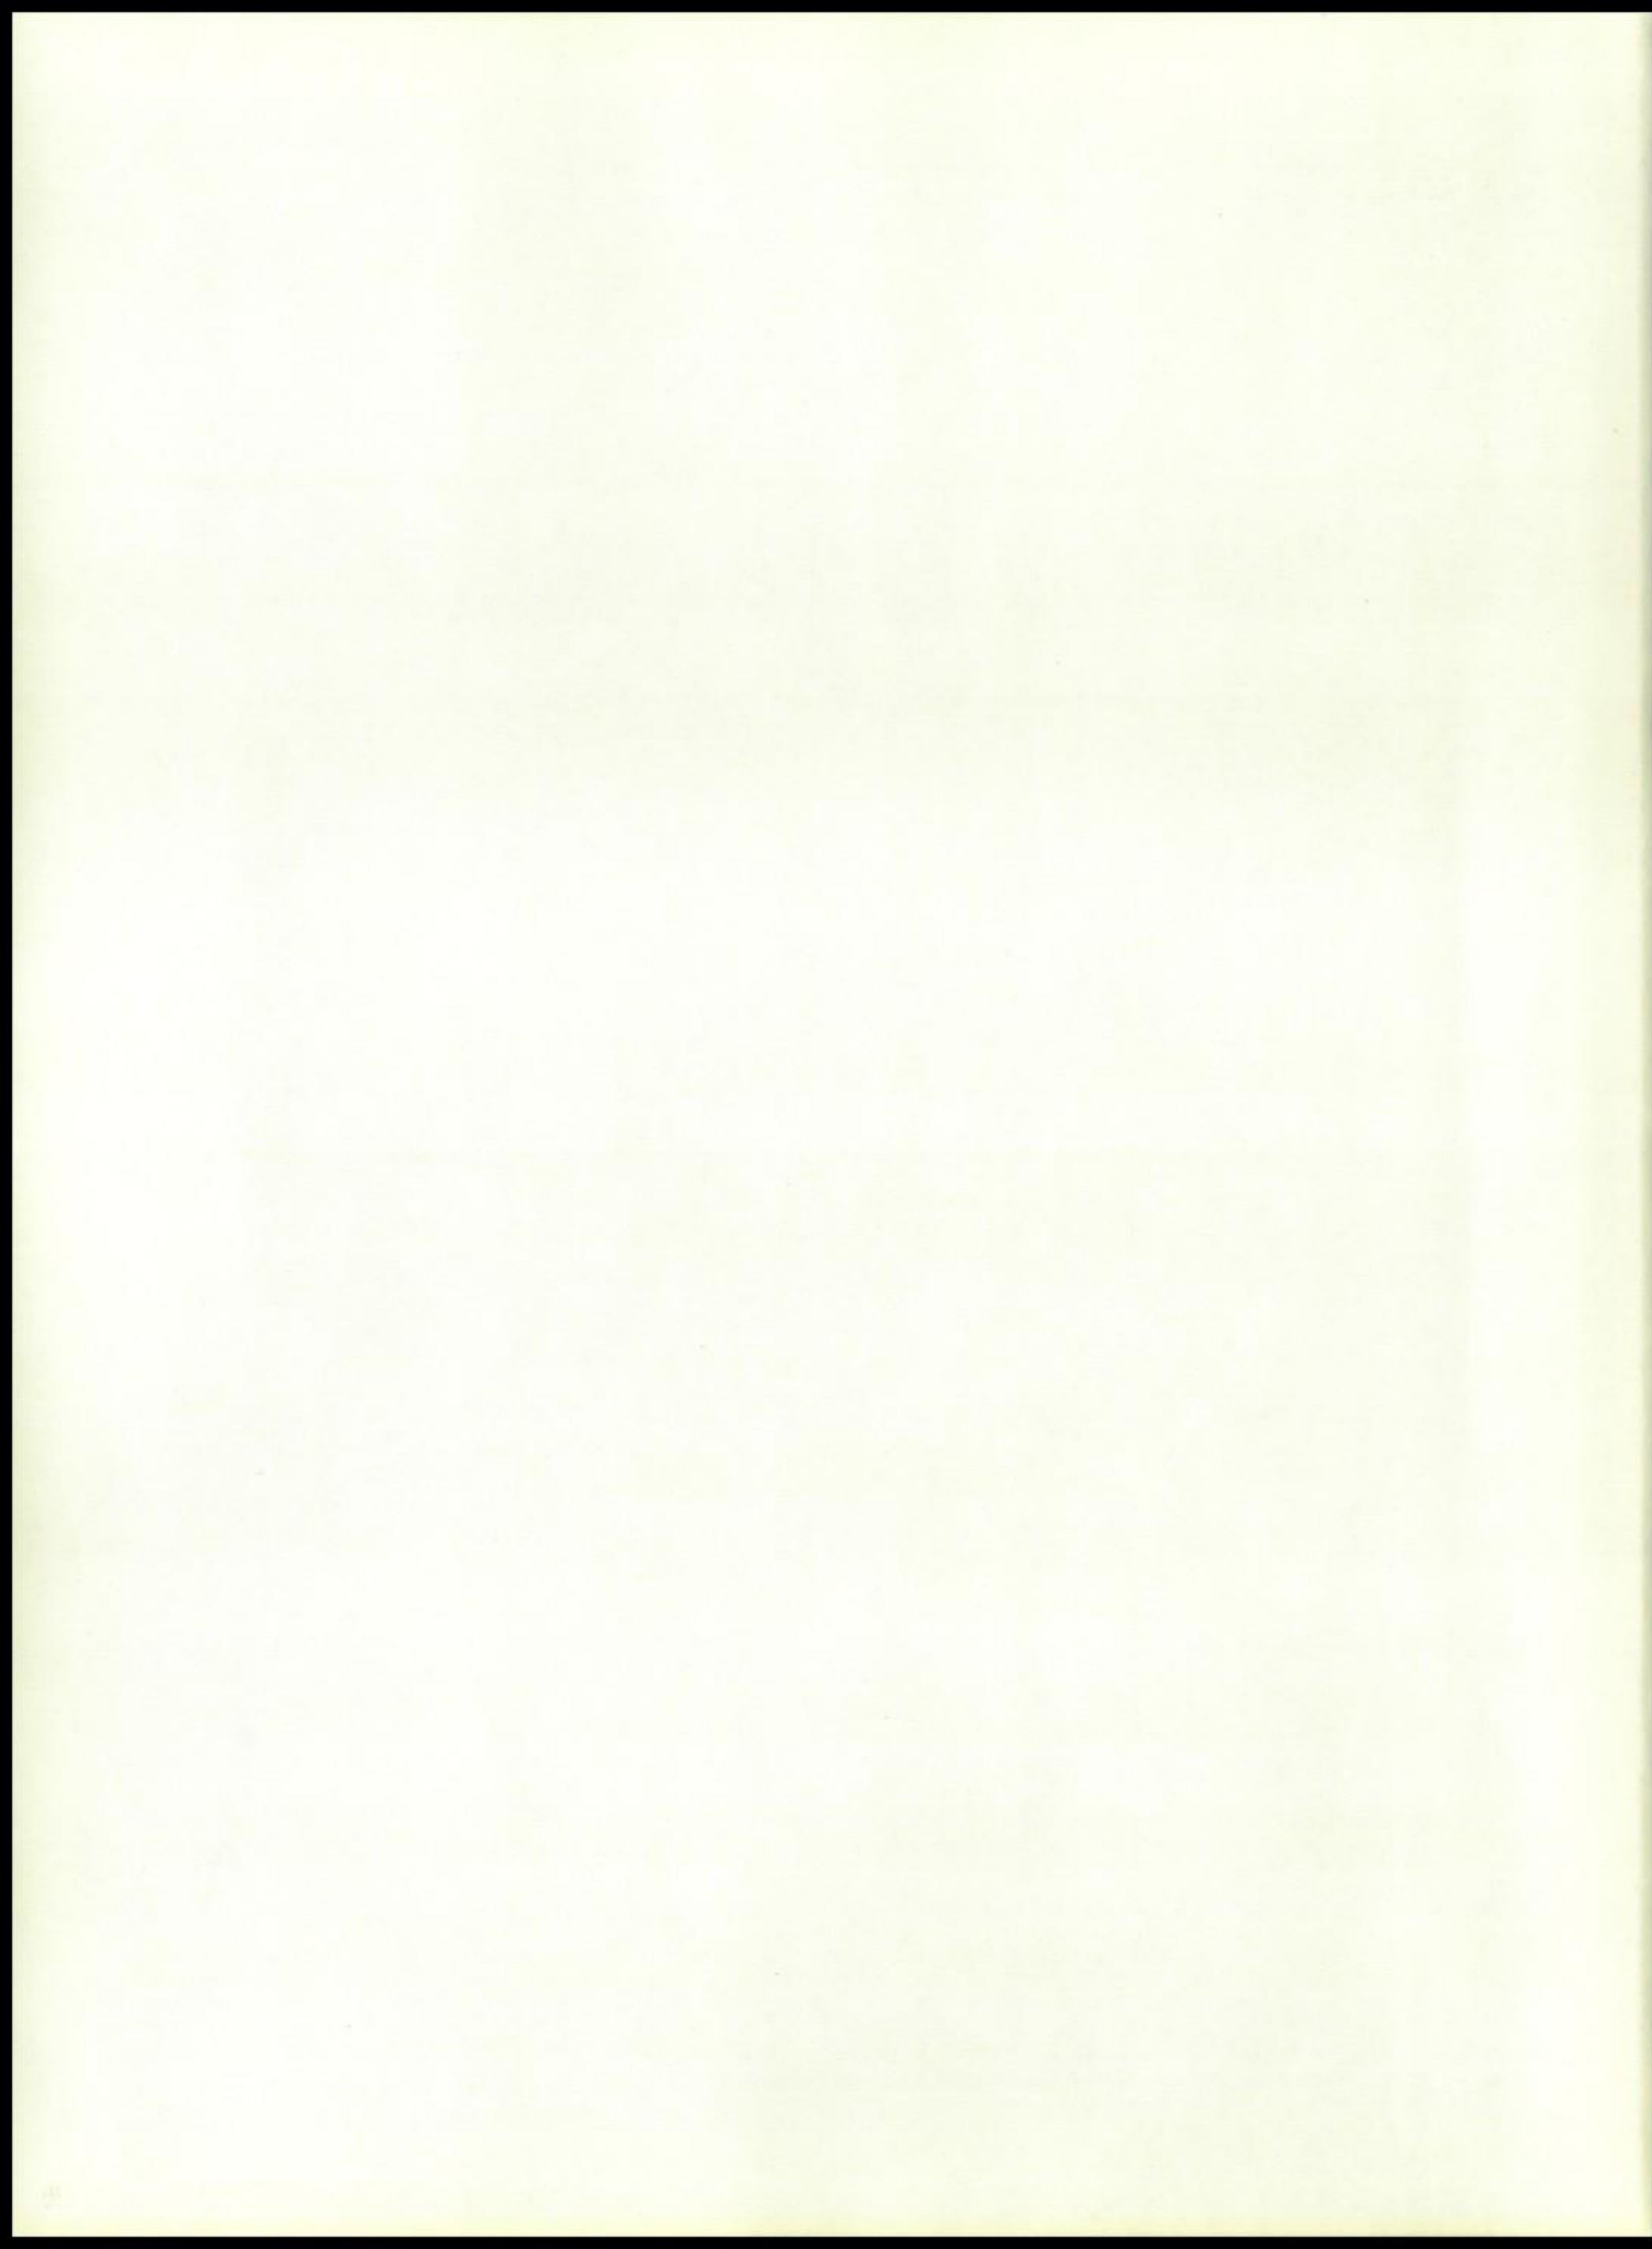

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of education, where cultural differences can significantly impact learning outcomes.

The second part of the paper focuses on the methodology used in the study. It describes the process of selecting participants, collecting data, and analyzing the results. The authors emphasize the importance of using a mixed-methods approach to gain a comprehensive understanding of the research topic.

The third part of the paper presents the findings of the study. It discusses the results of the quantitative data analysis and the insights gained from the qualitative interviews. The authors conclude that there are significant differences in learning outcomes between the two groups, and these differences can be attributed to cultural factors.

The final part of the paper discusses the implications of the findings for future research and practice. It suggests that educators should be aware of the cultural context of their students and tailor their teaching methods accordingly. The authors also recommend further research to explore the underlying reasons for the observed differences.

ORGANIZATIONS

Every man's work, whether it be in literature or music or pictures or architecture or anything else, is always a portrait of himself.

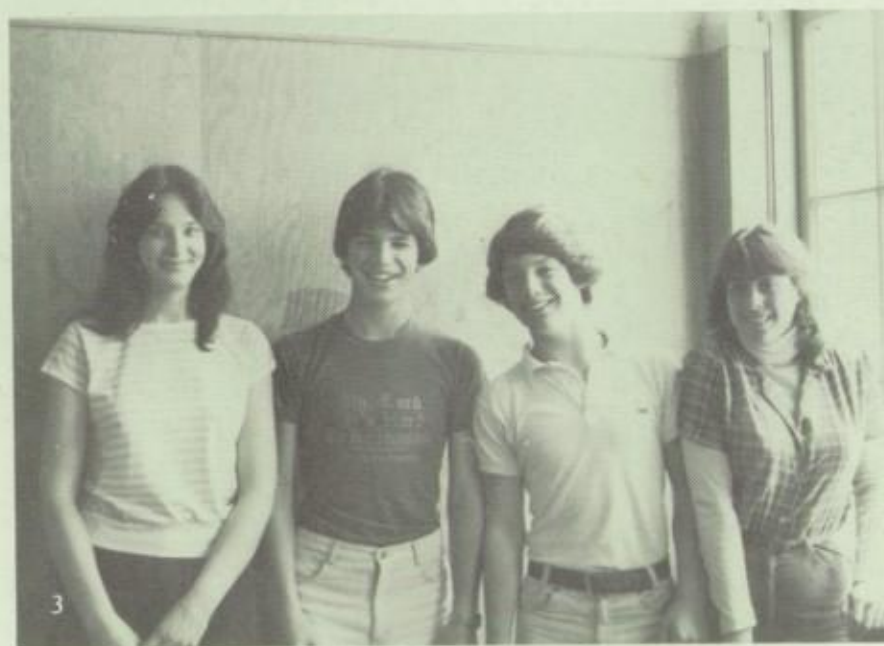

Promoting School Spirit

was the goal the LHS student government set forth for themselves this year. Activities ranging from "Campus Beautification" to the Senior Ball were formulated and carried out. To start off the spirited year, the Annual Paper Boat Race was held. Unfortunately, things got a little out of hand when students started throwing each other into the pool. Even with the problems, future paper boat races are being planned.

Along with the beginning of football season and enthusiastic rallies, fund raisers started. Fund raisers, always a prime target, were unusually plentiful this year. From flower and candy sales, to spirit items, the Student Store was continuously busy. The Senior Class established new privileges just for seniors. These privileges included things such as free or discounted admission to athletic events, dances, and plays.

As always, promoting school spirit was a major goal. "I feel that we've accomplished that, and I'm looking forward to next year."

remarked freshman class advisor, Mrs. Cooper.

Competing On Many Events

The LHS Future Farmers of America had an impressive year. In the North Coast Region, the participating members captured second place in the FFA creed speeches and fourth place in Parliamentary Procedure.

FFA members received the sweepstakes trophy in the Alameda County Fair by earning awards for a champion steer and hog as

well as for beef, swine and goat. The club also learned a great deal about sportsmanship and were proud showmanship winners.

Helping to build school spirit, FFA sponsored activities which affected the entire LHS community. The highlight of the activities was the well attended Donkey Basketball game on April 16. Other exciting activities were the annual hay bucking contest held during spirit week in October, and the club's annual ski trip in February.

The hundred member club had an active year under the fine leadership of President Todd Coble. Officers Terri Ambosino, vice-president, secretary Laura Jackson, treasurer Lori Silva, reporter Kurt

Clamp, and Dan Jess as sentinel, assisted in planning and contributed support necessary to make the activities successful.

Advisor Ron Furtado felt that the hard work was worth it, "this is the best year we've had in a long time."

Comprised of Over Twenty Clubs and Organizations

Livermore High School thrived in spirit and participation through student involvement and individual interests. Clubs brought students together as friends at Livermore High. A club is defined as "an assembly of good fellows, meeting under certain conditions." The definition is precise in meaning, yet it leaves from it an important fact: clubs worked and cooperated together for the benefit of a better and active social life here at Livermore High.

TV Productions exposed students to the technical and electronic aspects of television. The group used sophisticated and modern devices to film many TC productions, broadcasted over the school channel, 33. One of their weekly broadcasts, LHS Today, gave students and faculty at Livermore High a broader view of school and community events.

The California Scholarship Federation (CSF) enables students to be recognized as top students for their academic work and noble citizenship, by colleges and universities. The club sponsored many school activities such as the powder-puff football game, and the annual blood drive.

Close-Up provided seniors at Livermore High the opportunity to travel

to Washington, DC, where they learned about United States government and history through beneficial lectures, seminars, and tours. The 29-member group, the largest ever, enjoyed the trip immensely and felt that everyone should take advantage of this once-in-a-lifetime experience.

The German Club offered students studying German the chance to learn more about Germany, its people, culture, and language.

The Math Club, consisting of people skilled in the mathematical area, participated in many challenging competitions.

52-1 Math Club; 2 German Club; 3 TV Productions. 53-1 Close-Up; 2 CSF Life members; 3 CSF officers.

Clubs

The Sunshine Club is a small and diverse club, which provides older people in convalescent homes with family greeting cards and gifts. These people would not receive these touching items without the care and thoughts of this special club.

The Ski Club furnished students with the chance to go skiing in the high sierra during the winter and spring months. They held monthly trips and made skiing an enjoyable sport for students and friends at LHS.

Mat Maids kept wrestlers' spirits up when they seemed down. They supplied the wrestlers with cookies, refreshments and decorated lockers. They kept statistics and rooted the team on.

The Art Club offers artistic students the adventure to express their creative talents through weekly club meetings and school activities. The club members are people of inventive thought and indepth thinking.

The French Club permits students studying French to learn more about the interesting culture of France. The club masters the romantic language of French, and sponsors the annual candy cane sale. The International Exchange Club, which has united with the French Club, enables both English and foreign speaking people to travel to countries in which they are interested. The club encourages exchange students to make new friends, become involved and feel at home in a new culture.

Chess and War Games draws imaginative, and logical people intrigued by creative thought process games such as Dungeons and Dragons, and Chess. The club has several competitions and meetings which develop closer member relations in the club.

54-1 Matroids; 2 Bank of America Plaque Winners; 3 French Club/IEC.
55-1 Spring CSF; 2 Sunshine Club; 3 Ski Club.

Clubs . . .

The Speech Club was organized three years ago to promote the art of forensics. Club members compete in debates and public speaking exercises.

Block "L" is an organization designed to unite the different athletic groups at Livermore High. The club participated and planned many enjoyable activities this year, among them was the exciting LHS faculty versus the Forty Niners in basketball.

Field Biology gave students interested in science and biology the chance to study different forms of outdoor life.

The Bank of America Plaque winners are chosen for outstanding accomplishments in various departments. Each year the four winners go on to compete at the Zone Selection Event.

Ornamental Horticulture allows students to participate in activities related to the growing and sale of ornamental and flowering plants.

Performing With Excellence

the LHS music department had another strong year, perpetuating its fine reputation. With concerts, competitions, and special events, all areas of the department were busy and practiced hard.

In past years the **Jazz Band** really felt the crunch of declining enrollment. This year, however, their talents were brought together to make an outstanding and truly powerful band.

Concert and Symphonic Band, probably the most active group, participated in many events, such as the annual Winter and Spring Concerts, CMEA Festival, the graduation ceremony, and the Rodeo parade. The bands were also gifted with four excellent soloists, Ken Taylor, Aline Tewes, Steve Streufert, and Frances Zizzo.

Orchestra, conducted by Bob Jacobson, continued to be a very talented group. With many returning seniors, the ensemble also had experience to add finesse to any performance.

A Cappella, noted for their fine singing, continued the tradition this year. Lending both experience and support were a choice

number of outstanding seniors.

Jane Baker, David Dibley, Sarah Eller, Paul Halverson, Marilee Hord, Tara Kemp, Debbie Stone, and Aline Tewes were these special members of this extraordinary group.

Meeting
New
People

and making friends is the best part of membership in the LHS Drama Club. For the production of their plays, they did lighting, costuming, building sets, ushering, ticket selling, student directing, stage managing, and formed an entire make-up crew, technical crew, and publicity staff.

Drama Club officers for 1981-82 were President Hilary Shore, Vice President Sarah Eller, Secretary Scott Schultz, and Treasurer Pat Green.

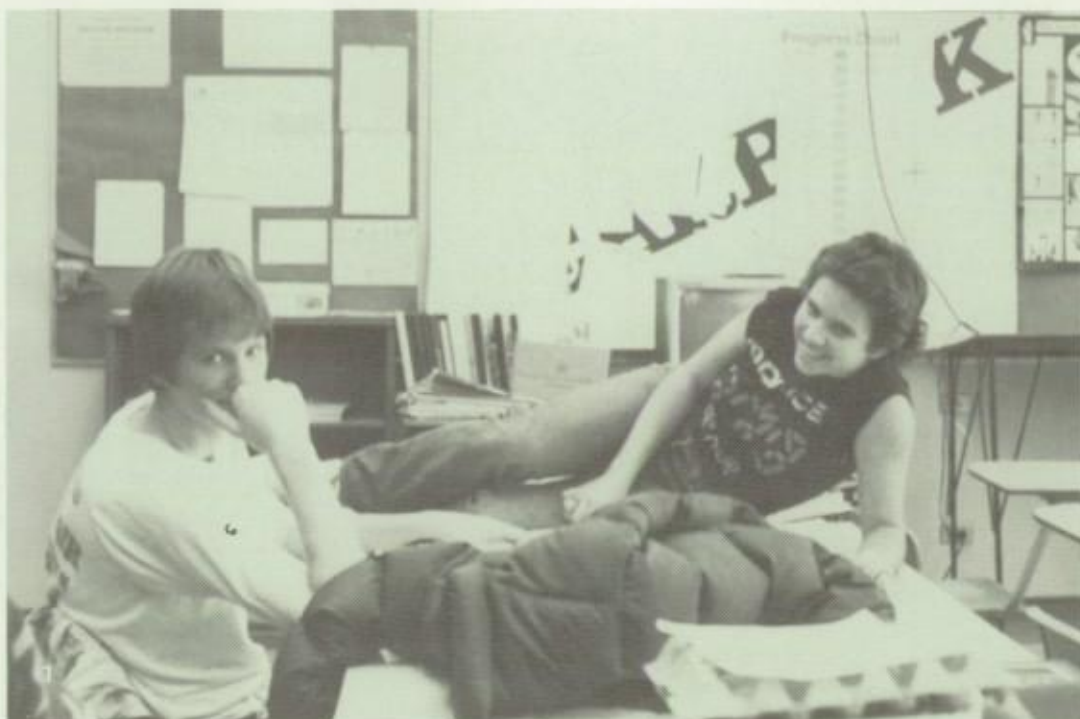

Hilary Shore and Sarah Eller agree that the most difficult part of drama is "trying to create a character out of plain lines in the script." "Letting the audience 'feel' the character."

Drama Club played an active role in both "The Homecoming" and "Guys & Dolls". According to one student, "There was more of a close feeling in the small cast of 'The Homecoming'".

Advisor Vicki Stadelhofer was enthusiastic about the Drama Festivals at Cal State Hayward and in Modesto, where LHS students had the opportunity to perform as well as watch other high school drama students. She, too, was pleased with both productions at LHS during the year: "They're different! A musical takes more time and effort and demands more student involvement."

One of the most rewarding experiences for the LHS thespians was the chance to express themselves in front of an audience: "I feel totally exhilarated — knowing that I can be up there and people can see me as a different character."

64-1 Celeste Rose, Heather Dougal, Jane Baker, and Debbie Stone rehearse their dance routine for "Guys and Dolls." 2 Kathy Davis and Pat Green go over their lines; 3 Steve Booth poses as a magazine salesman; 4 T-shirts for the spring musical; 5 Carl Halverson, Sarah Eller, Paul Halverson, and Cathy Ridolfi obviously enjoy each others' company. 65-1 Sarah Eller, Hilary Shore, Pat Green, Scott Schultz are the proud Drama Club officers; 2 1981-82 Drama Club together on stage; 3 Jane Baker takes five.

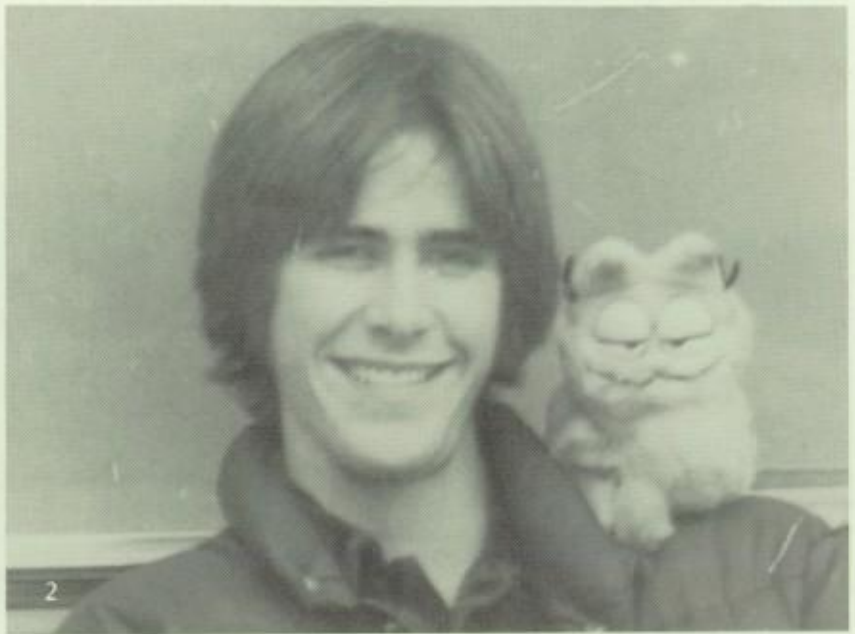

"El Vaquerito"

It is noon in a school newspaper office. A bleary eyed female editor is reviewing the new edition of the month's newspaper. She thumbs through a few stories and discovers a discrepancy. "Where," she mutters, "is the story in school police bust story?" "I want to know."

Suddenly a type riddled paper airplane gently floats through the dust-laden air. A few muffled snickers break the otherwise gloomy

silence as the plane settles to the ground at her feet, "There is your story most honorable and gracious editor." She shoots a quick glance towards the typist and his accomplice and goes about her business. Suddenly the door swings open and in walks a photographer burdened by twice her weight in camera equipment. "You're late again" is the general mumble. Despite the lackluster atmosphere, work can and does get done. The staff, while seemingly lazy, can suddenly spring to life at the words, "Deadline in 18 minutes!" The reporters running to and fro and typewriters

screaming. This is the ritual these strange people called "journalists" go through to put out a paper.

66-1 Jeff Snyder and Holly Finfgeld; 2 Jenny Fraser; 3 Lisa Dick and Nancy Wilson. 67-1 Jon Wilkins, Sue Rambo and Nancy Wilson; 2 Best Pals: Tony Sage and Garfield; 3 LHS Today Staff; 4 Editor: Edie Stradler; 5 The El Vaquerito Staff.

Accepting the Challenge

of meeting impossible deadlines, the 1982 yearbook editors, Jeff Kent and Robin Dias, managed to publish one of Livermore High's most creatively assembled yearbooks. The 1982 El Voquero was built on the theme, "Our Generation", keeping in mind the thought of new beginnings represented by rising suns and the eclipse.

Combining music and colorful slides, the staff was able to put together another entertaining all-school assembly in November. The second annual gathering was a tremendous success in creating a unified, close atmosphere

The Yearbook Panic

Twas the day before deadline
 And all was not right
 Not a creature was stirring
 Not even a mite.
 We editors screamed at the
 top of our lungs,
 "Sponsor, dear sponsor!
 What can be done?
 We can't find the pictures
 The photographers are gone
 The darkroom is flooded
 This just can't go on!"
 Late in the night
 We worked until day
 Finished the yearbook
 and sent it away. R.W.

and improving yearbook sales.

In order to design a professional senior section and include as many seniors as possible, the 1982 El Vaquero provided each senior with portraits for the yearbook and the yearly graduate photo plaque. Taking on this new project and at the same time representing as much of the student body as possible throughout the book, the staff reached its goal of creating unity in "Our Generation."

For the first time in recent history, the yearbookers came from a wide variety of locations: Japan, the alley, the football field, and even the land of short people. They managed to overcome inexperience in both photography and staff. Under the watchful eye of advisor Pat Gregorio, they were able to interest and involve many people in the yearbook.

The yearbook staff extends special thanks to Mike Robles for his photo of the eclipse, Miss Lucido for her invaluable typing skills, Mr. Bronzan for all his photography assistance, and to Mrs. Resenius for putting up with us. Also, thanks to Rick Wilcox for all 218 hand-drawn folios.

68-1 Editors: Robin Dias on the ledge and Jeff Kent who was unable to hang on; 2 Advisor Pat Gregorio; 3 Photographers Dave Wainwright, Teresa Hrubesh, Diane Webb; 4 Under editor SAM. 69-1 The 1982 El Vaquero Staff: Dawn Moor, Sue Swift, Val Brown, Reuben Guerin, Laurie Dahlander, Teresa Hrubesh, Mike Strella, Paul Linn, Mike Piazza, Pat Rashie, Mika Honda, Mike Riddle, Joleen Hearne, Dave Wainwright, Kristi Collesen, Robin Dias, Tony Sage, Sarah Michael, Rick Wilcox, Jim Edmondson. ACTIVITIES

I am only one,
But still I am one.
I cannot do everything,
But still I can do something.
And because I cannot do
everything,
I will not refuse to do
something that I can do.

Homecoming is That Time of Year

when the students at LHS get a chance to show how much school spirit they have. "The Long and Winding Road" was the theme for this year's festivities.

The spirited activities that filled the week ended with an exciting victory over California, 28-8. The colorful half-time events included the float parade, for which the senior class won first place with their glimpse of the future.

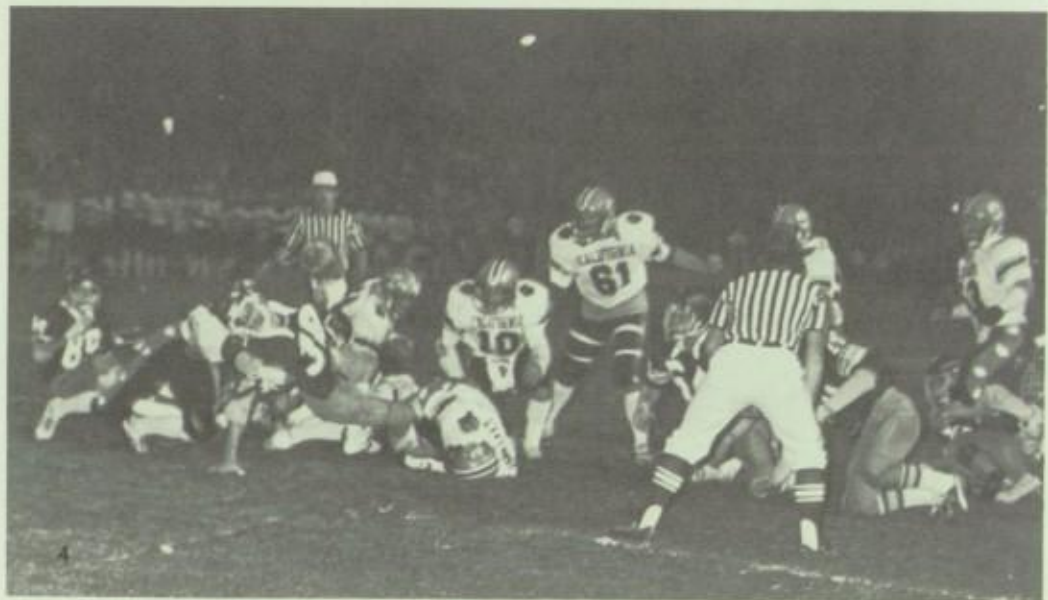

More excitement was added to the half-time festivities with the crowning of Cindy Martinez, the 1981 homecoming queen. After the game, the LHS gym was crowded with spectators who eagerly awaited the crowning of the king. As the moment of the crowning arrived, the air in the gym was filled with enthusiasm and anticipation. To everyone's surprise and delight, Clay Flynn took the

title of homecoming king.

Homecoming is definitely one of the most exciting times of the year. It allows students to let loose and have fun while showing their school spirit.

Bringing Out Spirit
and Enthusiasm

was this year's Spirit Week goal. During the week of October 19 through 23, many events, took place for the celebration of the annual homecoming.

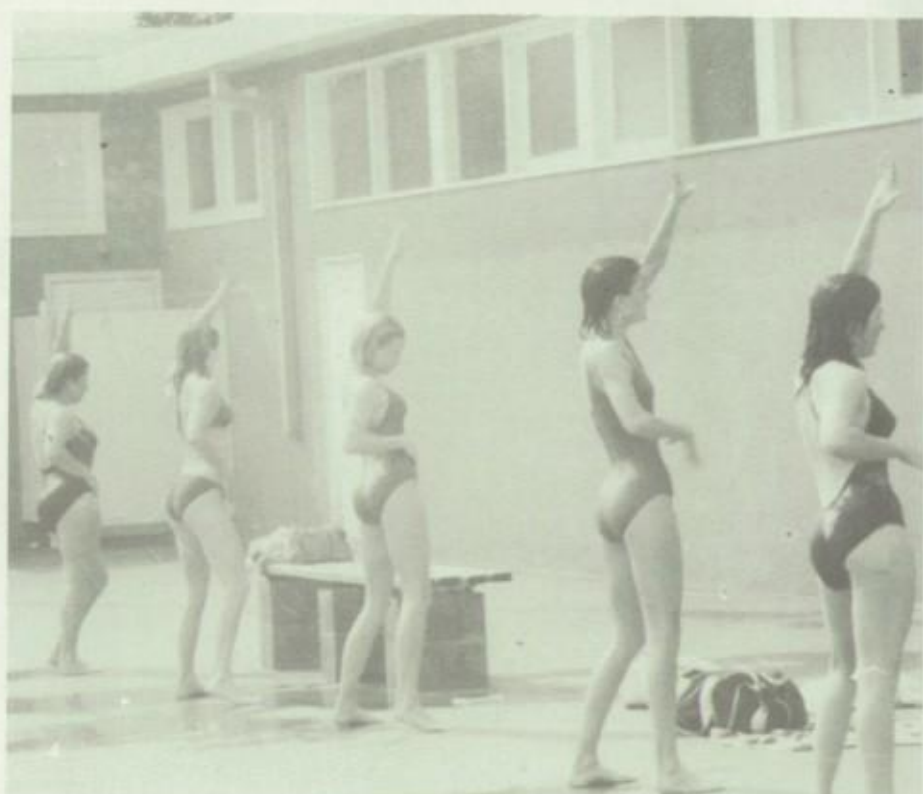

Starting out the events of the week, LHS looked like the Aloha State on Monday's Hawaiian Day. Tuesday was highlighted by the likes of Fred Allison who dressed as a scrub woman for Switch Day. Other unusual roles changes were Patty Garcia as a businessman and Adam Wells, Brian Friedel, and Mike Lego as cheerleaders.

Nerds were seen wandering on campus Wednesday wearing everything from mismatched clothes to carrying lunch pails.

Determined LHS students wrestled with their sheets on Thursday to transform themselves into Roman emperors and goddesses. During the day they would worry if their togas were on correctly and that none of the sheets would slip.

The week ended with the student body showing their pride by wearing green and gold. Homecoming chairperson Karen Davis stated, "a lot of people got involved this year. That made it the best ever!"

Counting Down The Days

until showtime, the performers of the 1982 Aquacade show spent hours of practice perfecting their routines as the days quickly flew by. Clinics and tryouts began in February, but the cold winter weather did not affect the dedicated women who put their talent and imagination into several routines. The show was a tremendous success as it was performed on the weekend of March 31-April 2 and followed the theme of "Rockin' Through the Ages".

The seniors, led by Judy Schweiger, swam to Olivia Newton John's

"Make A Move On Me", while the juniors showed their stuff to the J. Geils Band's "Centerfold" instructed by Judy Thompson and Amy Moore. The sophomores, guided by Angie Terhune and Holly Campuzano, combined swimming with dance to "Octopus' Garden", and the freshmen, led by Lee Clausen, showed school spirit performing to the Beach Boys' "Be True To Your School".

A large group of women really shook it up with a dance routine to "Superfreak" directed by Karen Davis and choreographed by Diane Fraunholz. The kickboard routine done to Gary Myrick's "Party Girl" was developed by Valerie Brown. Deanna Barrett guided her group to the Rolling Stones' "Tops", for the float routine. A duet by Kim Doll and Diane Fraunholz to "The Boogie Woogie Bugle Boy" contributed to the specialty routines along with Korrin Kachel, Darcy Resemius and Carla Avila dancing to "Jailhouse Rock". Additional

water routines were done by Angie Terhune and Anita Boyce to "Macho Duck", while Sheree Lum and Cathy Johnson performed to "Promises In The Dark". Two senior soloists appeared this year; Maj Johnson to "The Sound of Silence" and Korrin Kachel to "Open Arms".

76-1 Here's lookin' at you; **2** Cookie Sandoval; Judy Schweiger, Trisha Giallanza, Diana Dante, Sue Clausen, Peggy Moore, Maria Crawford; **3** Sophomore routine; **4** Juniors working hard. **77-1** Kim and Angie in the Specialty Routine; **2** Here goes nothing! **3** Aquacade performers; **4** Pam Bohrer, Karen Edwards, Valerie Brown, Amy Moore, Kris Kruger, Diane Fraunholz, Judy Thompson.

Combining
Experience
and
Technique

the play productions class presented "The Homecoming" for the winter play. The story, written by Earl Hammer Jr., is based on the **The Homecoming** and the TV series "The Waltons". The story follows a young man's desire to write despite objections from his hard working father. Clay-boy was portrayed by junior Mike Ingols, Olivia, Clayboy's mother, was played by senior Debbie Stone.

Outstanding performances came from Steve Sandholz, who played the "nor so intelligent Birdshot", while Kathy Davis and Paul Dystroff played Grandma and Grandpa. A highlight of the show was Jane Baker and Nancy Matthews, who portrayed the old bootlegging sisters, Emma and Erta Straples.

The play was presented on December 10, 11, and 12 at 8pm in the LHS auditorium. Many weeks of hard work behind the scenes brought together the realistic set designed with creativity by stage manager, Chuck Oldes. The set added a realistic touch to the performance.

78-1 Paul Halverson enjoys a drink while bartender Pat Green looks on; **2** Emma and Erta Straples comfort Clay-boy; **3** Jane Baker and Nancy Matthews make a quick scene change; **4** Ken Taylor is being taken off to jail by sheriff Paul Halverson; **5** Carl Halverson does a balancing trick while Steve Miller and Jenny Schmidt look on. **79-1** Cary Wendland presents his son, portrayed by Mike Ingols, with writing tablets for Christmas; **2** Debbie Stone; **3** The Spencer family looks up in hopes of Santa arriving soon.

Bringing Together

LHS staff and students, fall special events exemplified unity. The events included the "Clash of the Titans", rallies and assemblies.

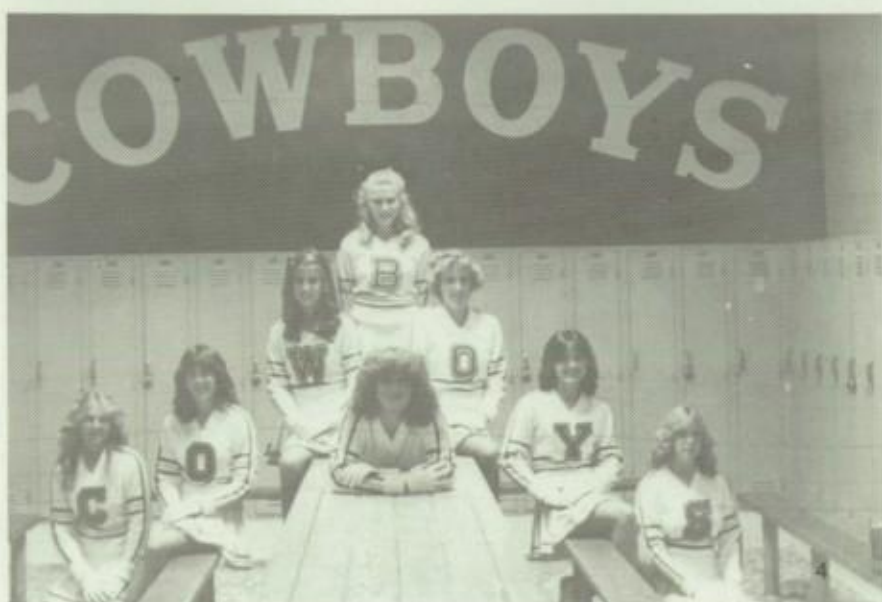

The fall events had something for everyone with activities varying from the Secret Pals to the back to school dance. Even those students who didn't like to swim were entertained by the annual Paper Boat Race.

These events and others proved that the students at LHS could join one another in making their school a more fun and enjoyable place to be. The fall at LHS was one of the most spirited times of the year.

80-1 A few award winners at the Spirit Assembly; 2 Penny Hursell paints one of the many garbage cans; 3 Teachers and students gather at Ravenswood for Human Relations Day; 4 LHS staff and students reveal themselves at the Secret Pal breakfast. 81-1 Mike Niven, JJ Williams, Jim West, Robert Manning, Graham Codsedge fight to the crust; 2 Winning was as easy as pie for Graham; 3 Crew members of the Unsinkable fight to keep afloat; 4 Students rock out at "Back to School" dance.

Achieving
Their
Goal

the spirit squads involved more students and athletes in promoting spirit at LHS. The cheerleaders, pom-pom girls, and lettergirls achieved their goal through long hours of practice.

During the summer the spirit squads attended NCA cheerleader and pom-pom camps at UC Davis and Stanford University, where they received superior ribbons for excellent cheers and routines. The girls practiced throughout the summer for the upcoming rallies and games.

Each spirit squad, under the direction of advisor Sheila Cooper, was responsible for planning and leading one rally. According to senior pom-pom girl Judy Schweiger, "This year's rallies have improved tremendously."

82-1 Pom-pom girls Lori Sandoval, Darcy Resenius, Celeste Rose, Karen Davis, Judy Schweiger, Cathy Johnson, Maj Johnson, Korrin Kachel; **2** Korrin Kachel cheers at a rally; **3** Varsity cheerleaders Judy Thompson, Christine Snell, Lorri Lovett, Michelle Weir, Diana Dante, Sheree Lum; **4** Nancy Rogers, Pam Bohrer, Nancy Folkers, Karen Martinell, Judy Odell, Jackie Hogan, Amy Moore, Jill Williams. **83-1** Freshman cheerleaders Robin Gouvaia, Tammy Fallon, Laurie Ordains, Lisa Wilburn, Carine Snell, Carol Nielsen, Carol Newberry, Laura Beasley; **2** Lori Sandoval calls out the LHS team; **3** JV cheerleaders Heather Dougal, Debbie Foscina, Kathy Kuckenbaker, Caroline Thompson, Kim Pirosko, Terri Johnson; **4** JV cheerleaders show their spirit.

Highlighting the 1982 Basketball Season

LHS created a new activity called Sweetheart Weeks. Sweetheart Week included surprise dress up days, rallies, a band in the quad, and the Sweetheart Dance.

The nominees for the guy and girl Sweetheart were chosen from major clubs including FFA, French, and Speech. Members of the band and all four classes were also nominated. The winners were announced at the Sweetheart Dance after the basketball game. Lori Sandoval and Jim West took the title of Sweethearts.

Activities throughout the week consisted of surprise days on Wednesday, which the freshmen and sophomores participated in. Thursday was rock day for juniors and seniors. Friday was the most spirited of the week as students dressed in green and gold and cheered on the basketball team to a smashing victory over cross-town rivals Granada.

Sweetheart Week was made even more special with the distribution of Sweetheart flowers sponsored by the junior class. This activity gave the opportunity to tell that special someone how much you care.

Sweetheart Week proved to be a success and hopefully will continue as a tradition at LHS.

Our Generation! Ready to take on the challenges of the world . . . or are we? Can we ever live down the shadow of assassination? Are we once and for all rid of those dreadful medflies?

Will we ever forget the last superbowl and get on with our lives once again? Will we be able to pull away from Luke and Laura Spencer and all the General Hospital gang? Will we remain awake and tune into Dallas just to see what that evil J.R. is up to? When will we stop letting fashions and fads run our lives? Now that we are used to designer jeans, we have the "preppy" look to deal with. Who would have thought that a colorful cube could hypnotize a nation?

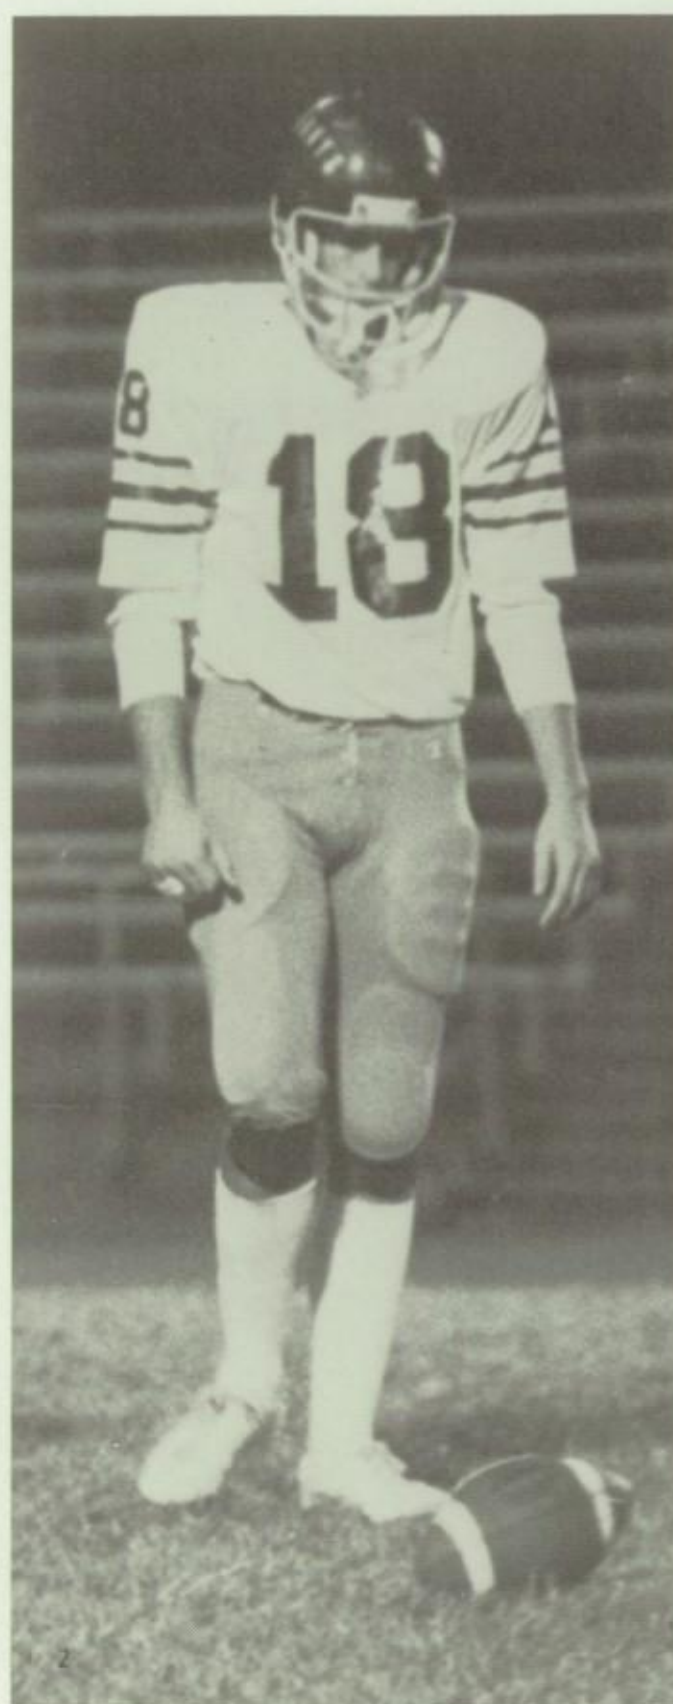

What about rock 'n' roll? That's really overpowering. What would life be like without the Rolling Stones? Probably the same as life without the Raiders of the Lost Ark. But who wants to find out? Who could forget those events that kept most of the nation glued to their television sets—the two space shuttle launches and, of course, the royal wedding of the Prince and Princess of Wales?

Are these things really equally important? When will we start going by our own values? Then again, why should we? Fifty years from now we may all be feeling nostalgic. Looking back with teary eyes . . . "Those were the days!"

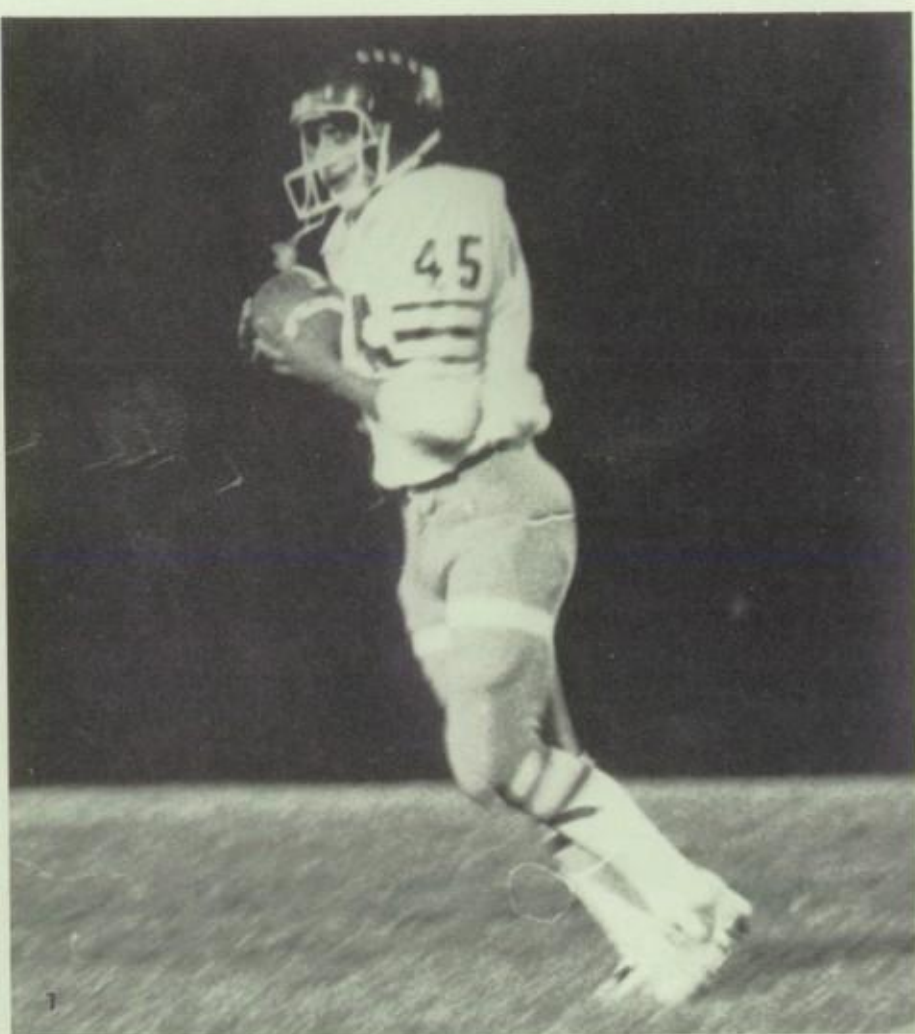

ATHLETICS

The thrill is not just in winning,
but in the courage to join
the race.

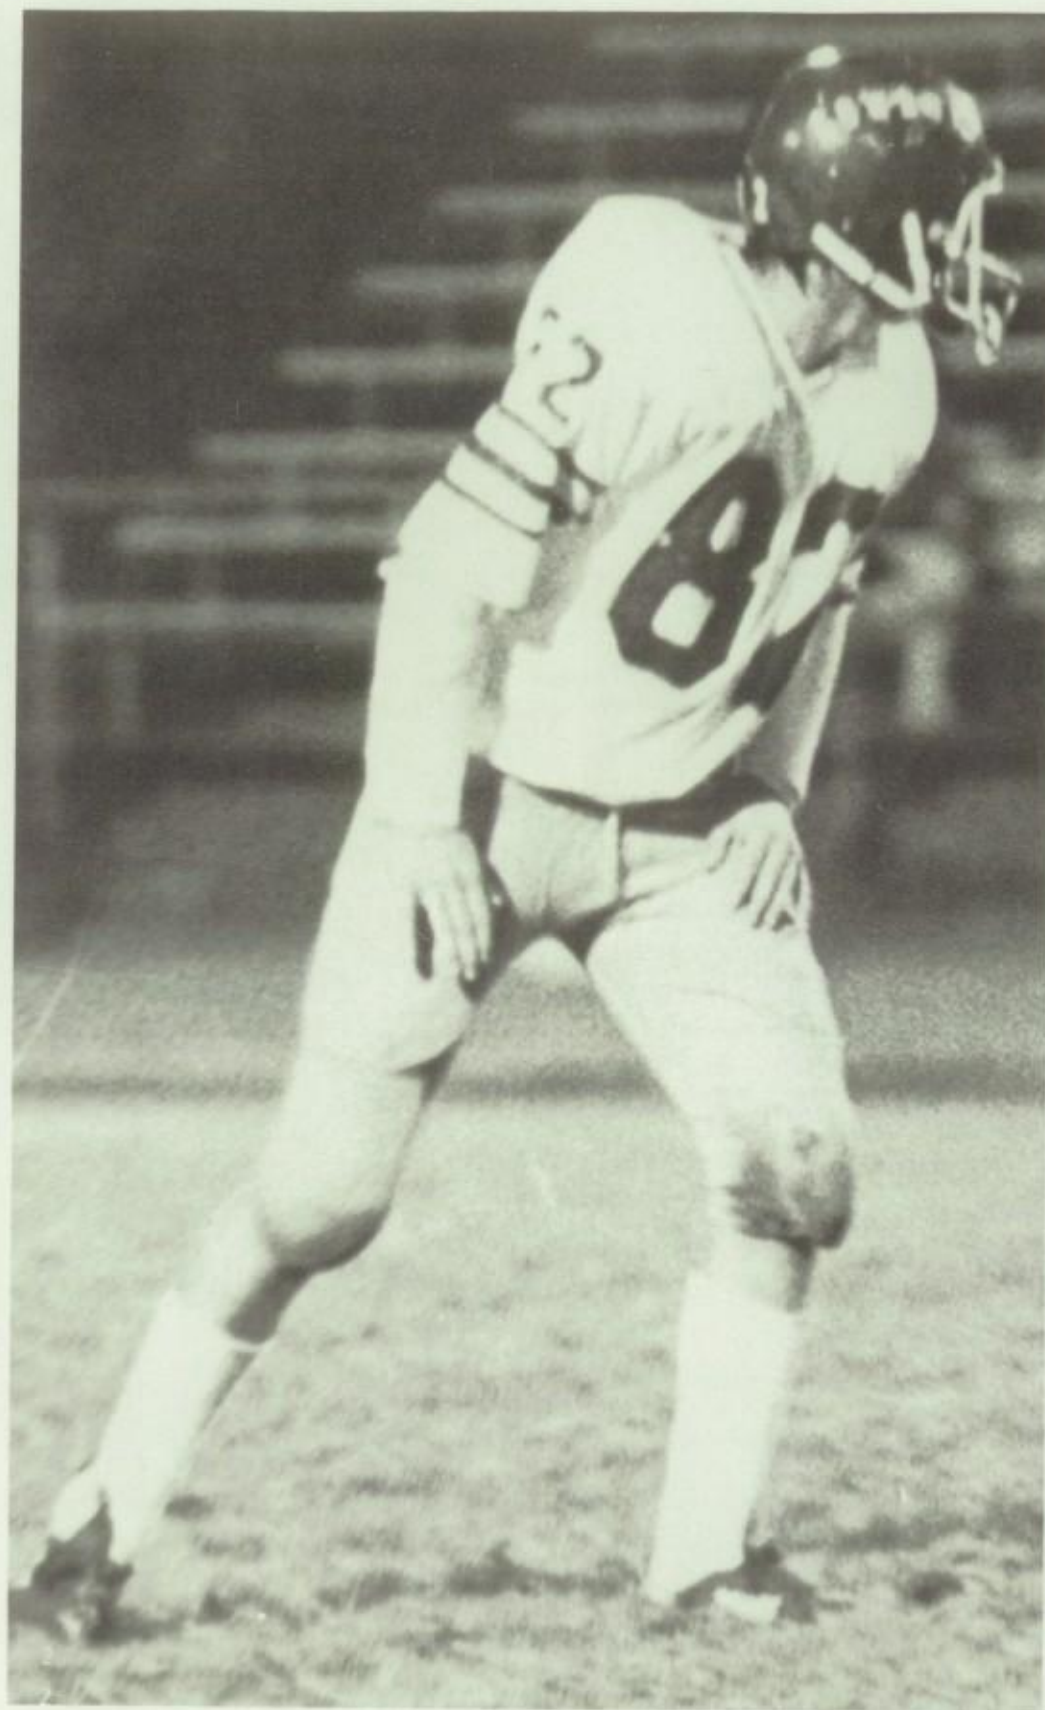

Sporting
a
Record

of 3-7 overall and 2-5 for EBAL, the varsity football team season had many high points. The Gridiron Gladiators produced a number of outstanding players, including Greg Watkins who made first team all league defensive lineman and was awarded Most Valuable Defensive Lineman.

One of the Season's Highlights

was the game against the Foothill Falcons. In this exciting duel, the defensive line scored two of the four touchdowns. The first touchdown was scored by John Krewinkel. He recovered a fumble and sprinted sixty yards for a touchdown. The defense scored their second touchdown when Greg Watkins blocked a punt and Steve Fallon dived on the ball in the end zone.

Not to be outdone by the defensive line, the Pokes offense scored

two touchdowns. Steve Gallagher secured a pass for a touchdown and Pat Cerruti ran in for the other score. The final score of the thrilling game was 28-7. The victory ended a four-game losing streak for the Cowboys.

Defending Our Poke Pride

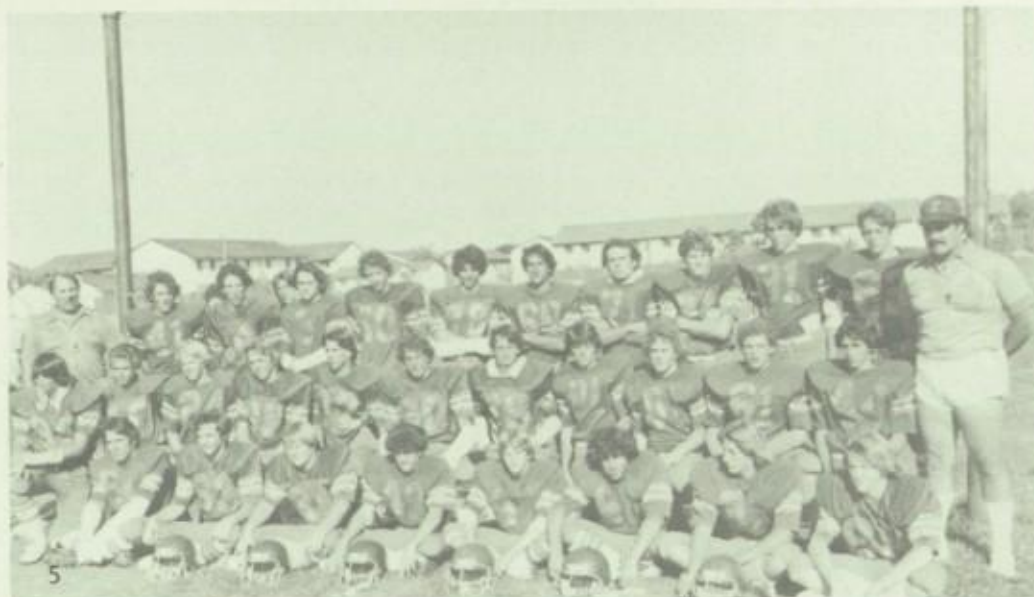

this year's JV football team finished the season with a promising 4-5-1 EBAL record after conquering Castro Valley, Concord, Dublin, and cross-town rival Granada.

The season ended with the always exciting Livermore-Granada bout. Curt Voisin received two touchdown passes from Ronnie Hawkins and Jimmy Davis scored on a 65-yard run which clinched the 22-6 Poke victory.

Awards of recognition were given to Most Valuable Player Jimmy Davis, Outstanding Offensive Player Curt Voisin, and Outstanding Defensive Player Robert Gutierrez.

Rushing Through a
Winning Season

The Frosh Pokes, led by Coach Overby, made an awesome recovery with five straight wins after losing their first game to Monte Vista. The Pokes' primary threat to their opponents was their running game, with David Farner and J.J. Williams as their key running backs.

In the clash against the cross-town rivals, the Cowboys, led by captain Aaron Wanden, held the game to a scoreless tie. The line was intimidating under the superb leadership of coaches Tarte and Stewart.

When not on the gridiron, the players inspired their teammates who

were on the field. John Volkman was named Most Inspired for firing the team up. Finishing with a 5-1-1 record, the freshmen squad had a very powerful season.

Blending
Strength
and Experience

this year's Women's Varsity Basketball team hoped to take the championship. Consisting of six returning seniors, one junior, and one sophomore, the team was clearly a talented and highly skilled squad.

The Cowboy's big highlight of the season was the crushing 94-23 defeat over Monte Vista. Tossing in 25 points and playing guard, was the team's leading scorer, senior Patty Mulrooney. Also contributing to the killing of the Mustangs was senior guard Dorothy

Michael with 22 points.

Supporting this year's squad were aggressive forward Tanya Bohannon and captains Patty Mulrooney and Heather Walls. Also clutching the Most Valuable Player award, Heather added strength to the team as a forward. Next year's returning players will be junior Cherie Patterson who was this year's Most Improved Player and strong sophomore, sharp-shooter Laurie Strehle.

Coming a Long Way

this year's Women's JV Basketball team proved to be a strong contender in the EBAL after compiling a league record of 8-6.

Leading the team's success was top scorer rookie Cathy Cavanna, who gained 104 total points for the season. Also lending strong aid and support were sophomore captains Beth Whitaker and Kris Spaeth.

Throughout the season the team had various strengths and weaknesses, but always remained unified. A strong 45-11 victory over Monte Vista saw the players at their best. Although they played well when facing top contender Amador, the team fell short of the victory by four points. Amador's coach stated, however, that the Pokes were the best team they had played so far.

Supervising the team for her first year was coach Ann Wondolowski. Being a former LHS basketball player herself, Ann provided plenty of team spirit. A combined feeling from the players was summed up in the statement, "Our coach was the greatest."

Overpowering Them

in the second half, the LHS Varsity Basketball team made a surprising attack against Monte Vista. Behind by 9 points at half time, it never occurred to the Cowboys for even a minute that they should throw in the towel. The Pokes came back and left the Mustangs baffled, scoring 21 points in the second half. A 57-45 victory for Livermore was the result.

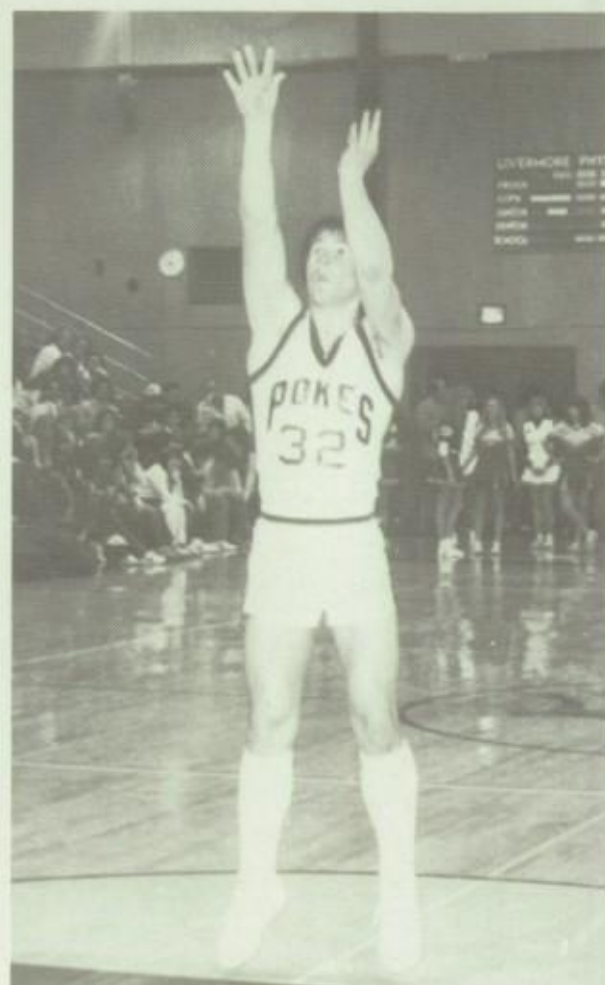

The Cowboys played an outstanding defensive game, breezing by Dublin 62-39 and mauling the California Grizzlies 50-42.

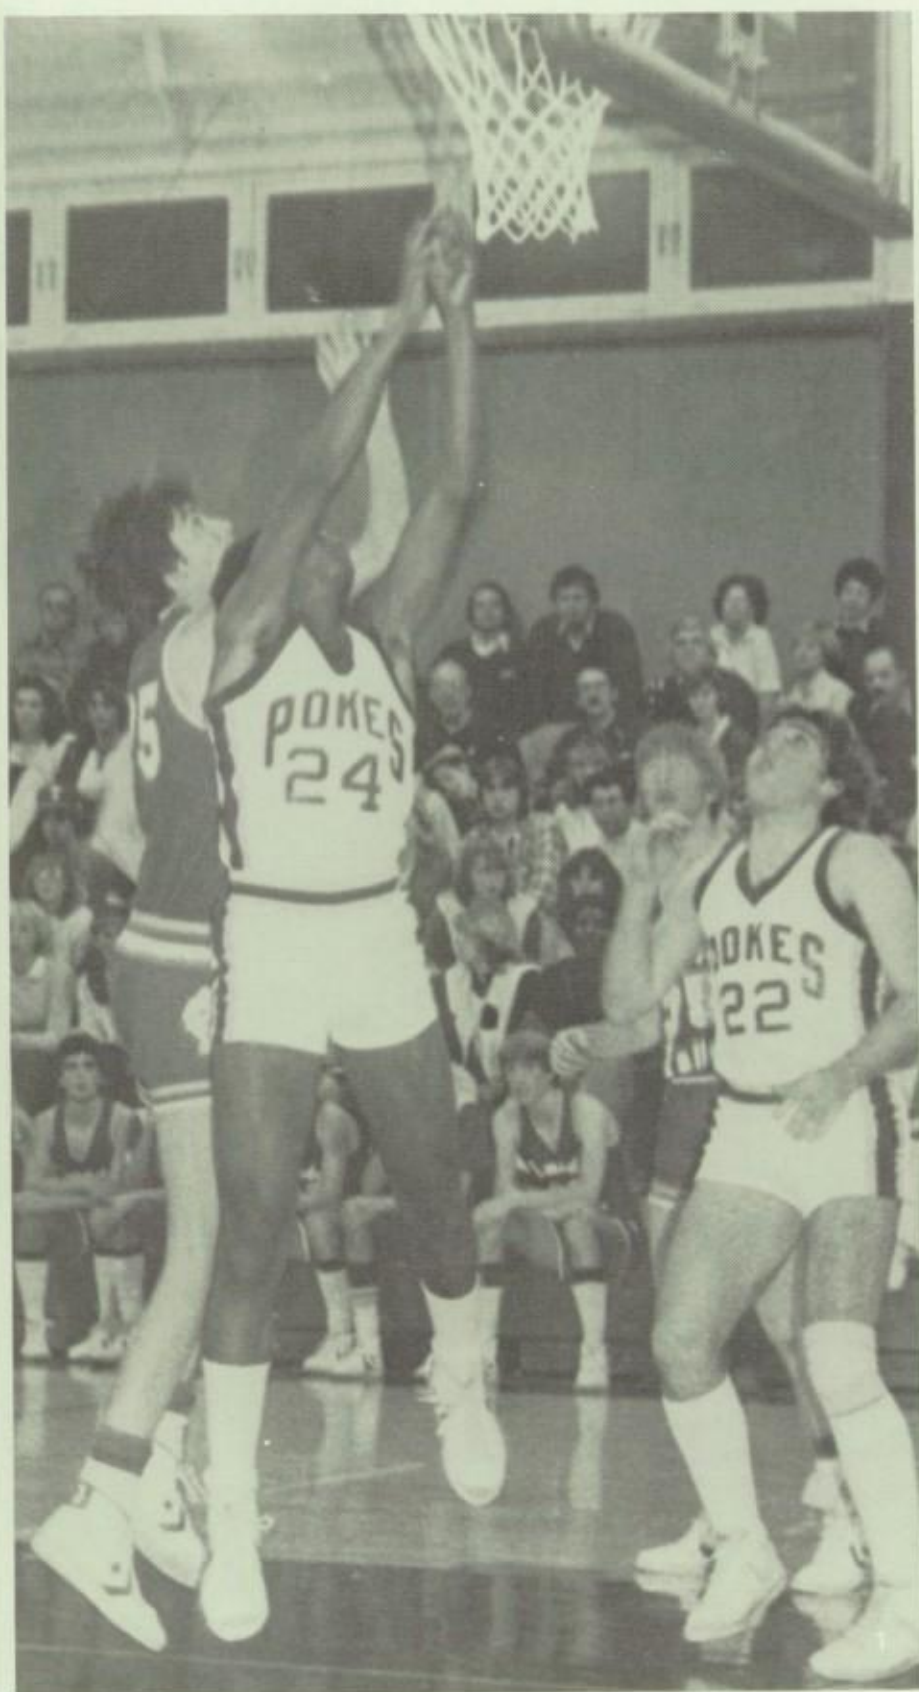

Consistent playing was an advantage to the Pokes in the 81-82 season. Six foot nine Randy Johnson, Alfred Lacy and Tom Olsen proved to be the team's offensive attack, while Bill Magann and Troy Larson provided a strong backup.

"There is
nothing negative
about it,"

says third year varsity coach Bob George. As part of coach George's philosophy, he believes that he can learn just as much from his players as they can learn from him. This year's statistics have proved that the varsity squad and coach have achieved the right balance.

The biggest reward to coach George is that he is able to make

eleven individuals work as one. "It has been a pleasure working with these players and they show a lot of class on and off the court."

104-1 Randy Johnson goes for a lay-up; 2 Harold Harmon sets up a play; 3 Jeff Prickett makes a free throw; 4 Troy Larson fires a pass against the opposing team.
105-1 Alfred Lacy ups one; 2 Bill Magann goes for a snuff.

Showing Their Experience

the LHS JV Basketball team started with an excellent 3-0 season. The team hoped to finish at the top and planned to beat Amador at least once.

According to coach Walt Roeber the three outstanding players were sophomores Ron Hawkins, Desmond Pisano, and Richard Nies. These teammates had a shooting average of 12 to 16 points per game. The 1981-82 squad was experienced, organized, and showed cooperation while hitting a high percentage of free throws and lay-ups.

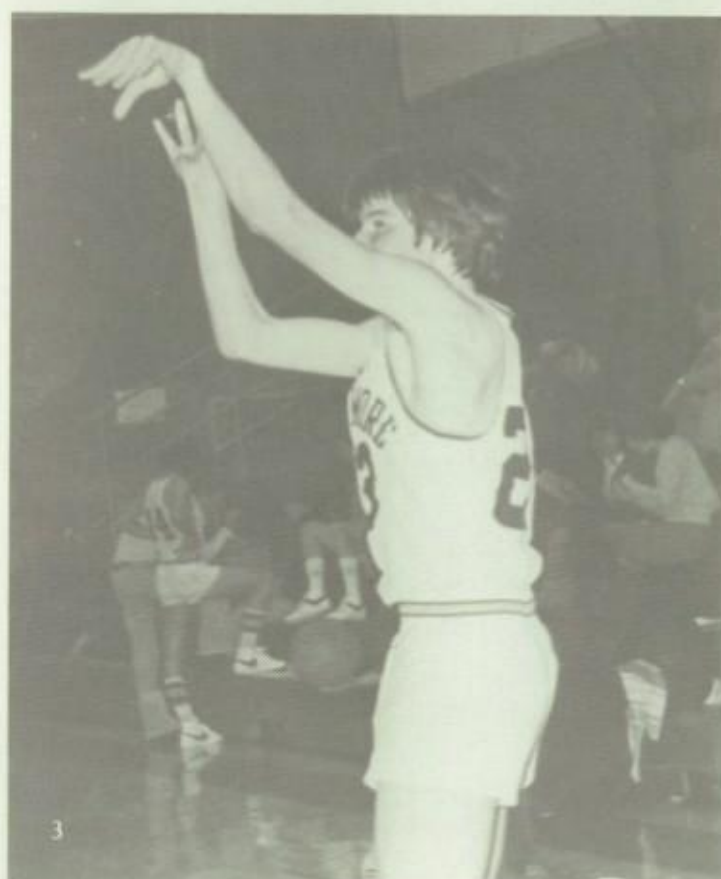

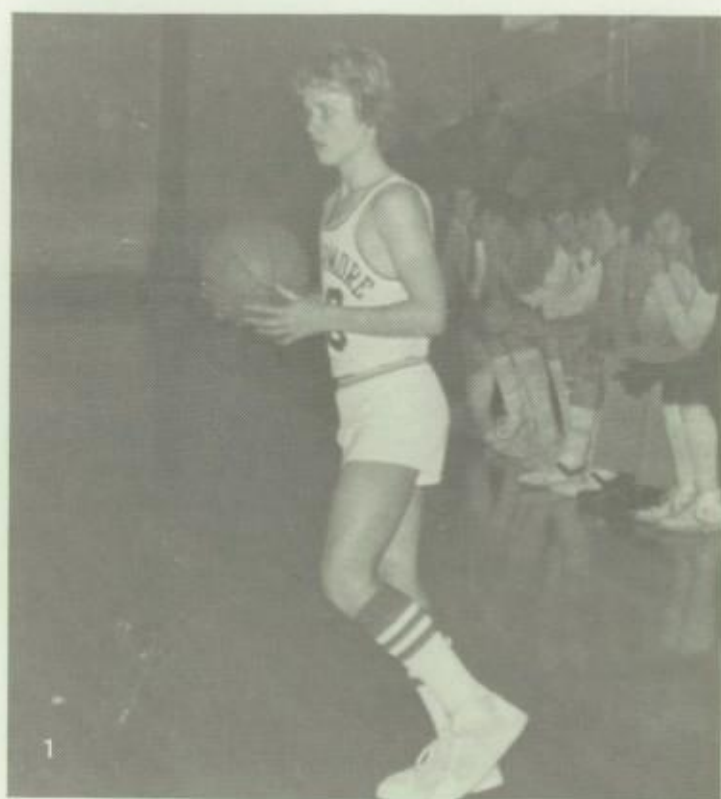

During an exciting January game against Dublin, the JV squad screamed past the Gaels with a 91-54 victory. Coach Roeber felt the

best game of the season was the match against California with a 50-42 win, since it showed the team's spirit and determination. The Pokes had three returning juniors and nine first time sophomores. The squad hopes for a better season next year.

6-1 Robert Gutierrez; 2 T.R. Marshall; 3 Roy Gagaza; 4 Ron Hawkins; 5 Robert Gutierrez. 107-1 Desmond Pisano; 2 Dirk Grogson; 3 Richard Nies; 4 Derek Madrid; 5 Desmond Pisano, David Miers, Jon Ferrario, T.R. Winning Was The Goal

for the 1982 Freshmen Basketball team under the guidance of Coach Woods. The Frosh Pokes were victorious over top contenders San Ramon Wolves and the Foothill Falcons. Coach Woods stated, "most of the players were previously experienced."

The Pokes' season started with a graceful win over Monte Vista.

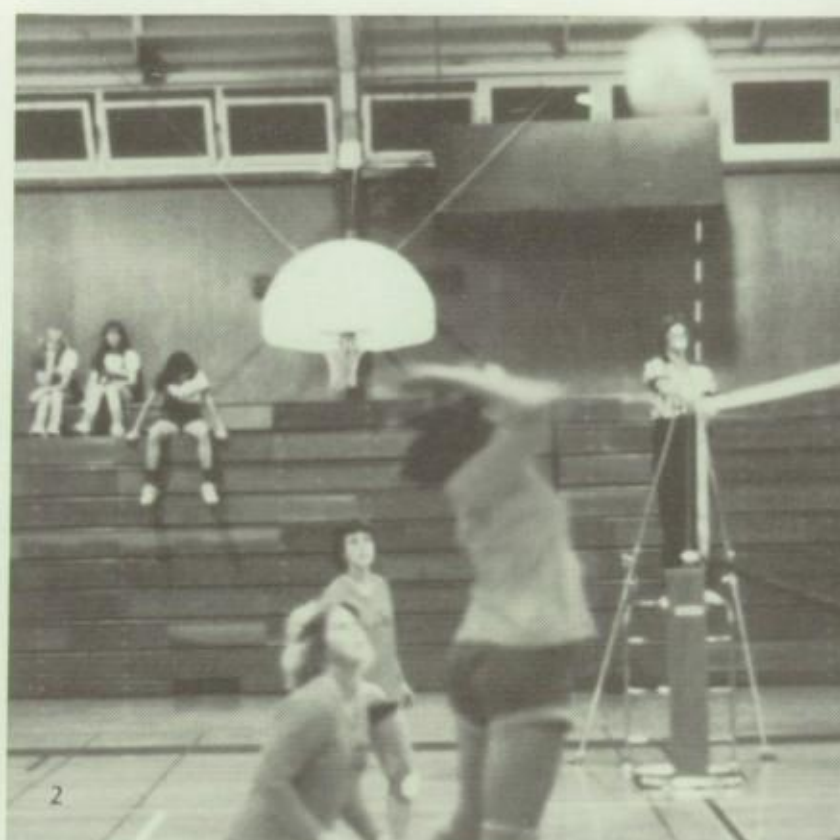

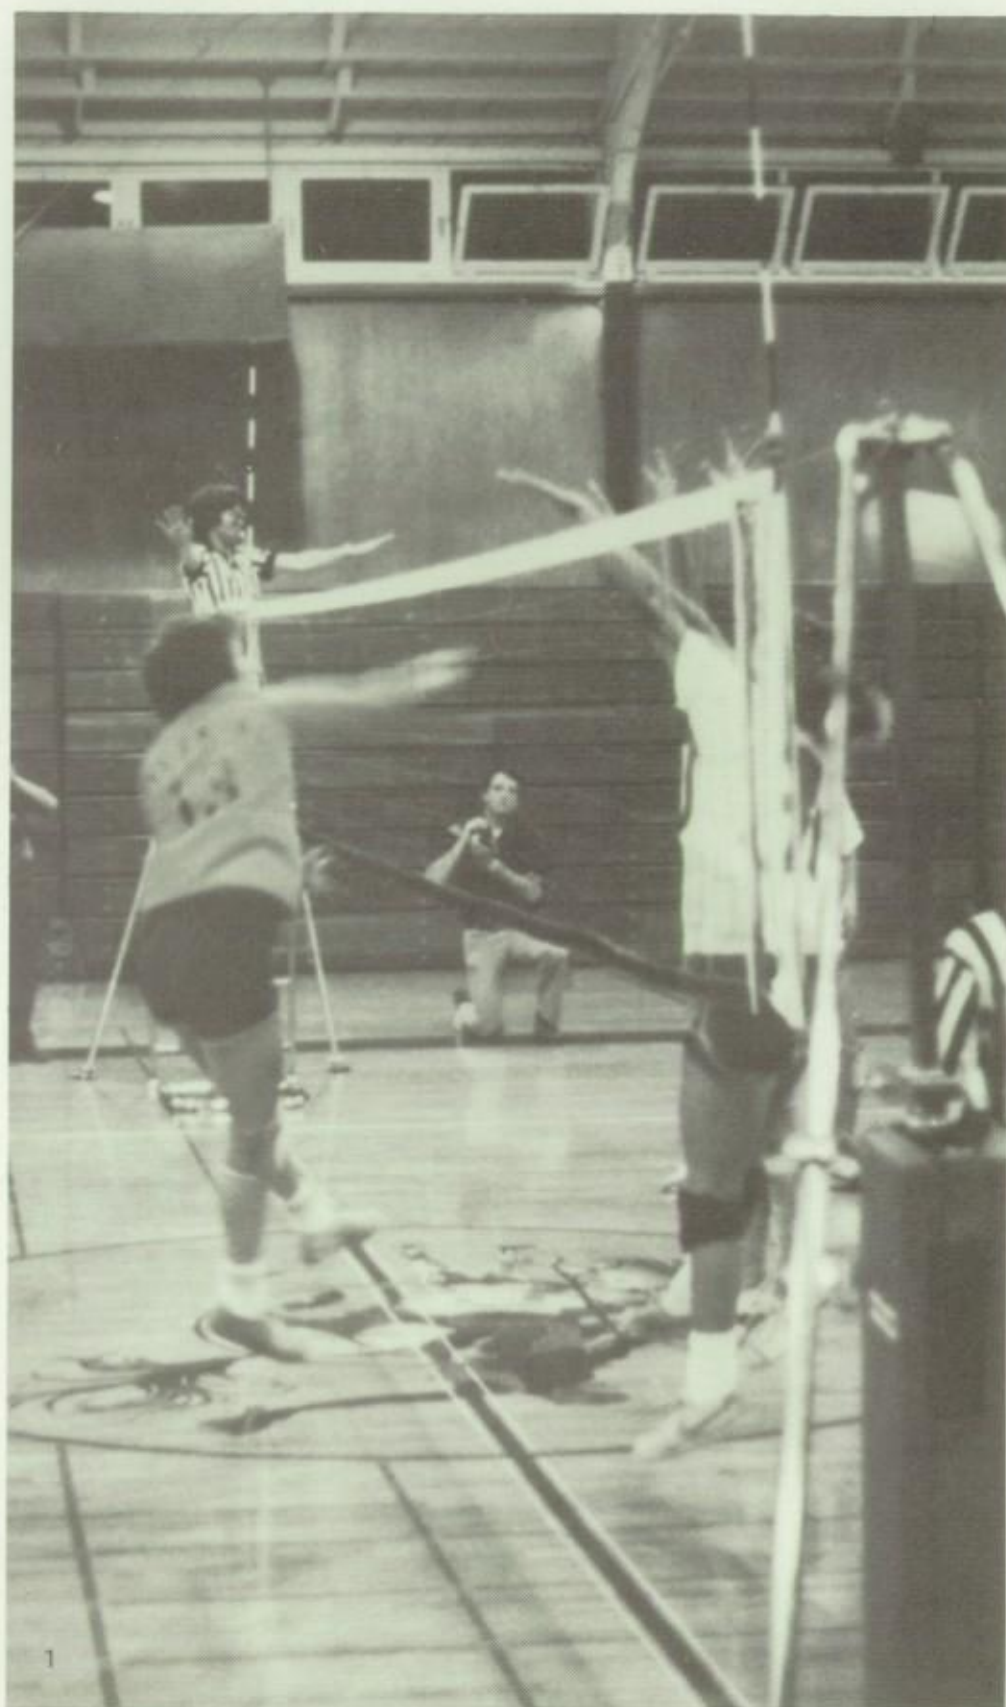

Outstanding players, center Todd Hogan, point J.J. Williams, and forward David Garcia helped score points for the Cowboys. Late in the season the Pokes' suffered a loss to Amador, but came back and won their final games. In the crushing game against Granada, the Pokes' put the Maradors in their grave with a 72-54 score.

Coach Woods felt that the promising Freshmen Basketball team will bring Livermore a league championship in the years to come.

108-1 Jay Frost receives a pass; 2 Frosh Pokes' and Coach Woods watch team; 3 Todd Hogan; 4 J.J. Williams gets ready for free throw. 109-1 Todd Hogan goes up for two; 2 David Garcia contemplates a pass; 3 David Shepard goes for a lay-up; 4 Top row: D. Bayer, J. Schweiger, T. Hogan, D. Garcia, J. Fulfilling Two Goals

was the expectation of this year's varsity volleyball team. "First," voiced coach Mike Benapfl, "it was our objective to have a fun season that all the players could enjoy, and second, we wished to improve on last year's record." Coach Benapfl believed that both goals were met successfully with the Pokes finishing 5th in the league.

Senior Sue Pratt was named Most Valuable Player while Christie DePaoli, also a senior, received the Most Inspirational award. The Most Improved player was sophomore Kim Brooke. Kim Brooke,

Paula Hardiman, Laura Jackson, Sharon Newcomb, and Laurie Strehle all moved up to varsity from last year's JV team; Christie DePaoli, Cherie Patterson, Sue Pratt, and Diane Webb were the returnees. The LHS women will be very poised and experienced next season as other teams are scurrying to rebuild.

Keeping Spirits High

aided the 1981 junior varsity volleyball team through a satisfactory and gratifying 7-5 season. The squad, consisting mainly of freshmen, displayed the traits of teamwork, communication, and an enthusiasm for volleyball. With the beginning talent of Ani Petrola, a senior foreign exchange student from Finland, and sophomore returnees Sue Swift, Kreena Nelson, and Debbie McVay, the group encountered both thrill and defeat during their season. Hard work, spectacular serves, and quick strategies rewarded the players with a victory over Granada, and a second round triumph over California.

Proud and devoted coach Holz described her group as a young, challenging and energetic one, and she recounted that, "They worked well together personality-wise which doesn't always happen."

Christening a New Sport

the proud varsity and junior varsity squads started with high hopes and enthusiasm. The latest addition to LHS women's athletics was this year's women's soccer, which consisted of previously experienced players.

The varsity squad opened their season with a disappointing loss to the Dublin Gaels. Key players, junior Amee Happe, freshman Kim Gragson, and senior Liz Pawek had good ball control, but they couldn't score. According to Coach Prevo, the Pokes moved the ball well, but they had trouble putting the ball in the net.

Leading the JV Pokes, Coach Freeman felt that despite losses to Amador and San Ramon, the team showed talent and skill. In the

high scoring game against Foothill, the Pokes, led by outstanding players, freshman Sheryl Caldeira, sophomore Michele Parker, and freshman goalie Laura Lathrop, passed and controlled the ball well while attempting twenty-eight shots.

1-1 S. Maney, A. Russel, K. Krugar, M. Parker, L. Lathrop, H. Hamm, K. Thiessen, J. Wilcox, D. DeCourey, D. Rivers, N. Livermore, T. Bowman, J. Pittman, S. Caldeira, J. Bright, M. Pawek.

NCS CHAMPS

after 80 minutes of grueling soccer, four over-time periods, and ten penalty kicks, the Pokes won the North Coast Section Soccer Championship on Saturday, February 20. In front of 3,000 screaming fans, Livermore squared off with the former EBAL champion Amador Dons for the NCS final. On their way to the final, the Cowboy booters wiped out Sunser High 10-0 and beat Irvington 2-0 to qualify. The Cowboys outshot the Dons 27-16 but both teams came up empty handed. The field was then surrounded as the fans poured onto the sidelines for a closer look at the penalty kicks. Livermore Goalie Bob Dougherty saved three shots, and his awesome performance led the Pokes to a breath taking 1-0 win. As the Cowboys final kick went in, the fans poured onto the field and celebrated their school's first ever North Coast Section Soccer Championship!

The LHS men's varsity soccer team was led by seniors Frank Bamford, Larry Freie, and Steve Garcia. The defense was led by returning All

League fullback Larry Freie as well as three year letterman Mike Lego. The scoring was led by senior Mike Mitchell who was also high point man in the league. The team was confident and went into the league play looking for a championship from the start. The experienced squad, which consisted of eleven seniors and seven juniors, had depth at all positions.

With outstanding offensive play from sophomores Mark Greiner and Chris Salazar, the forward lineup exhibited techniques of rapid passing and sharp shooting. A sturdy defense, consisting of reliable fullbacks and halfbacks, utilized the solid talents of sophomores Neil Abrahamson, Jeff Peters and Jack Cairel.

The 22 member squad applied their forceful stamina to gain many

significant victories. Two standout matches were against California and Dublin.

Returning From a
Successful Season

the LHS women's track team remained hopeful throughout the 1982 season. With returnees seniors Jessica Spies and Lura Dietrich, juniors Janice Bishop and Ruth Greenlee, and sophomore Tricia Murphy, the experienced squad looked forward to another outstanding season in league competition.

In preparation for the season the girls worked very hard. They practiced five days a week from 2 to 2 1/2 hours each day. They also lifted weights in their spare time. This hard work helped them to prepare for this season's new events. In the last two years, the 330 yard low hurdles and the triple jump were added to league competition. The squad looked very promising in both of these new events.

According to Coach Eckles, outstanding runner Jessica Spies hoped to repeat her excellent performance again this year at the state competition level. When Coach Eckles was asked what he thought about this year's team he replied, "I expect them to do just as well or even better than last year's squad."

Putting Around

In the early spring, the last heavy rains have ceased. All is silent except for the twittering of robins and the occasional buzz of an airplane taking off. Suddenly, a crisp "crack" is heard and a little white ball comes sailing out of the heavens to land on a well trimmed green. Again, all is silent. Then a faint "crunch, squish, crunch, squish" which grows louder and louder. Then over a small ridge trudge three figures. One is rather stocky and is wearing a Coors beer shirt and a Moosehead beer hat. The others are

wearing fairly ordinary clothes. One of the ordinaries says to the other, "Gee, I wish I hadn't slipped into the creek getting that ball. Now my shoe makes crunch-squish sounds." They putt and go to the next tee. Three more cracks are heard and one whiffing noise. Three of the little white balls are on the green, one is in the sandtrap. Four figures appear over the ridge totting golf clubs. The three of medium build stroll casually across the green to their respective balls and putt them in. The fourth member of the party is short and stocky, looking very much like a football coach. He yanks a sand wedge out of his bag and chips his ball onto the green and then putts it in.

The LHS golf team, despite last year's disappointing season record, was full of hope for an improvement. First year coach, Kevin Gunn, at the beginning of the season said that this year's team had much more depth.

The respectable EBAL performance included an upset over San Ramon by Jenny Fraser and a consolation finals performance by Alison Kaifer and Chrissy Odegard.
